Foreword

The San Joaquin County Aging and Community Services Resource Directory is a service of the Information and Assistance Program of San Joaquin County, Aging and Community Services Division.

The Directory is intended to reach seniors, disabled adults, and those who serve and care for them. The Directory contains the names, addresses, contact information and other information of agencies offering a wide range of services in such areas as health, social services, housing and finance, elder abuse and legal assistance.

The Directory is organized alphabetically by agency and/or program name.

The goal is to offer a single point of contact for information that will assist individuals to access the many resources in San Joaquin County and beyond.

The Directory is available on the Aging and Community Services website at www.sjchsa.org, which you are encouraged to explore. However, the realization that many seniors do not have access to a computer, or feel comfortable in using a computer, is acknowledged. Therefore, in addition to the website, one-to-one assistance can be accessed by calling 1 800 510-2020 within San Joaquin County or 209 468-1104.

Aging and Community Services serves to protect and support independent living for aging and dependent adults. Funding received from state and federal sources are designated to support the implementation of programs for the aged; generally, sixty years or older (60+). The adult services funding refers to adults eighteen years or older (18+) whose safety and independence is at risk.

It is our hope that the Resource Directory serves as a bridge for caregivers and families, and to service providers in building a “Safety Net” for individuals needing help.

Respectfully,

Information and Assistance
San Joaquin County Aging and Community Services
Dedication

“This Directory is dedicated to the residents of San Joaquin County, and the professionals who provide services to meet their needs. It is our sincere hope that this Directory will assist to improve the quality of life for our community.”

Elise Vigil, Aging Services Division Chief

Mission Statement

To provide leadership in issues that relate to older Californians; to develop community based systems of care that provide services which support independence within California’s interdependent society, and which protect the quality of life of older persons with functional impairments; and to promote citizen involvement in the planning and delivery of services.

Acknowledgments

Planning and development of the Directory was coordinated under the direction of Elise Vigil & Kniesha Primes, Social Worker Supervisor II of San Joaquin County Aging and Community Services. Information and Assistance Program Staff provided research, data collection, and editing.

Funding for the directory is provided in whole by San Joaquin County Aging and Community Services Bureau of Human Services Agency. We wish to acknowledge all Aging and Community Services staff, past and present, for their continued support of and assistance with the directory over the years. You are all greatly appreciated.

Disclaimer

Information printed in this Directory is provided voluntarily by the agencies listed herein. Inclusion of an agency does not imply endorsement of its services, nor does exclusion reflect an organization’s contribution to the community.

You are encouraged to investigate, for yourself, an organization’s programs or services prior to determining whether to access or participate in services.

Senior Awareness Day

Senior Awareness Day originated in 1979. The concept was introduced by Frank Bodine, an Escalon community leader and Chairman of the County Commission on Aging. His vision was to enhance community awareness of older adults’ contribution to the prosperity and vitality of San Joaquin County and to advise the community of the many programs and services available to them at little or no cost throughout the County.

This annual event will be held on the last Wednesday in May, “Older Americans Month”. Festivities include: Information Booths, Food booths, Entertainment, Bingo, a Walk Run, Classic Car Show, Senior Art Show, and a Senior Recognition Ceremony. This year’s theme is

“Calling All Superheroes”

The San Joaquin County Human Services Agency Aging and Community Services and Commission on Aging work in coordination with many public and private agencies and volunteers of all ages, to make this event possible.

For more information, call 209 468-2202 or www.SJSeniorday.org

Free Shuttle San Joaquin Regional Transit District (RTD) will provide free shuttle service to the 2019 Senior Awareness Day at San Joaquin County Fairgrounds.

From 8:00 a.m. to noon, shuttle buses will leave every half hour from the SJC Delta College, SHIMA (S1) parking lot at the corner of Pershing/Venetian. Returning buses will leave the fairgrounds every half hour until 3pm.
Area Agency on Aging #11

The Area Agency on Aging (AAA) is a legislated overseeing body within the Aging and Community Services Division of San Joaquin County Human Services Agency. The Board of Supervisors and Area on Agency Staff are assisted and guided by the Commission on Aging which serves as an Advisory Board.

Our local Area Agency on Aging is seated within the structure of the Aging and Community Services Division of the Human Services Agency, the positioning of the AAA in the county service system increases the ability to deploy resources for seniors as a single point of entry optimizing service delivery.

The Area Agency on Aging funding includes federal dollars through the Older Americans Act with matching State Funding. The funding is distributed through contracts with service providers and direct services provided by the Aging and Community Services.

Every four years, the AAA sets out a plan and creates goals for the next period, currently 2016-2020. Information is gathered through county-wide surveys; outreach, input and contact with the communities and its residents to determine the needs of the county.

In the goals set forth for the current plan, the Area Agency on Aging will:
Advocate and provide the leadership for the older and functionally, impaired seniors.
Provide information and education in the community to aid individuals and their families, health professionals, providers of social services and link seniors and caregivers to appropriate services.
Continue to improve the safety and protection of seniors through advocacy and addressing issues of abuse by providing services to victims.
Continue to address the needs of caregivers ultimately essential in maintaining the needs of the care receiver.
Promote and develop programs that prevent and provide alternatives to institutionalization.
Support and promote working seniors

For further information regarding services or the San Joaquin County Area on Agency on Aging, please call Aging and Community Services, Information and Assistance at: 209 468-1104.
Commission on Aging

The Commission on Aging (COA) is the advisory body to the San Joaquin County Board of Supervisors on all matters affecting older people in San Joaquin County. The Commission also serves as an advisory council to the Department of Aging on all matters affecting older people in the County and acts as their principal advocate. They serve as an advisory body to the Area Agency on Aging in regards to the administration of the Title III funding for the contracted services and advocate for senior’s issues.

The Commission on Aging Mission Statement:
To provide guidance, education, and advocacy on issues that relate to seniors of San Joaquin County.

To provide Leadership at the local level in developing systems of home and community-based services.

To assist our diverse population to live with independence and dignity in their homes and community.

The COA is composed of twenty-two members, primarily senior citizens. The Board of Supervisors (BOS), City Councils and the community at large appoint the commissioners to three year terms. Ten members are appointed by the BOS: 5 members- 1 from each District, 4 members At-Large; 1 representative for the Disabled or Handicapped; one member is appointed by each of the following City Councils: Stockton, Lodi, Tracy, Manteca, Ripon, Escalon and Lathrop; and five representatives of agencies serving seniors: SJC Human Services Agency, SJC Health Care Services, Housing Authority of San Joaquin County, Social Security Administration, and Long-Term Care Services. A demonstration in the interest of matters affecting older people and being a San Joaquin County resident are the requirements to be eligible for the Commission.

The structure of the Commission includes elected officers: Chairman, First Vice-Chairman and second Vice-Chairman; elected representatives for the California Senior Legislature and Subcommittees. Meetings are held on the first Monday of the month at 1:30 p.m. with the exception of August when no meeting is held. If a meeting falls on a legal holiday, it is held on the first business day following. Meetings are held at the Human Services Agency, Conference Room “C”, 5th floor, 102 S. San Joaquin Street, Stockton. All interested parties are encouraged to attend. Contact Aging and Community Services at 209 468-2202 for more information.

Social Security and SSI

Social Security (SSA): www.SSA.gov

The Social Security Administration (SSA) provides insured workers and their dependents or survivors with some protection against loss of income due to retirement, disability or death. The SSA provides monthly cash benefits based on the worker’s earnings record. An individual can be eligible for Social Security as early as age 62.

Supplement Security Income (SSI)

Supplement Security Income (SSI) is a federal welfare program for persons 65 and over, and for blind or disabled persons of any age. “Disabled” means that you have a physical or mental disability that is expected to keep you from working for 12 months or longer, or will result in death. Supplement Security Income may provide total monthly income or it may supplement a low income. In addition to cash payments, SSI recipients are automatically covered by Medi-Cal, the state health insurance plan.

All About Medicare: www.medicare.gov

Medicare is a federal health insurance program for people who are 65 and over, for some younger people with permanent disabilities, and for people with end-stage kidney disease.

Medicare has:

Hospital insurance, called Medicare Part A, which helps pay for hospital services both acute care and limited skilled nursing – No monthly fee. A deductible when admitted to a hospital.
Medical insurance, called Medicare Part B, which helps pay for outpatient services with a monthly fee based on income.
Prescription drug insurance, called Medicare Part D, which helps pay for prescription drugs. Monthly fee based on plan chosen.
Medicare Advantage Plans, called Medicare Part C, which can be purchased through Medicare approved insurance companies. Cost varies based on plan.
Who Can Get Medicare
Most people who are 65 and older, some younger people with disabilities and people with end-stage kidney disease can get Medicare. Call the Social Security Administration at 1 800 772-1213 if you want information about eligibility or are not certain you can get Medicare. You’ll need to provide your Social Security number and your date of birth when you call.

When You Can Get Medicare
If you are nearing 65, there is a seven-month period during which you can Enroll for Medicare. This time is referred to as the Initial Enrollment Period.
This seven-month period includes:
the three months before your 65th birthday
the month of your 65th birthday
the three months after your 65th birthday

The best time to sign up for Medicare is during the three months before your 65th birthday.

How to Sign up for Medicare at 65
You can sign up for Medicare in one of two ways:
You are automatically signed up for Medicare when you turn 65 if you are getting Social Security or Railroad Retirement payments. You’ll receive a package of Medicare information, including your Medicare card, in the mail. Call the Social Security Administration at 1 800 772-1213 if you do not get your information package by your 65th birthday.
You need to sign up for Medicare yourself if you aren’t getting Social Security or Railroad Retirement payments. Note: The enrollment eligibility age varies on your date of birth. You can sign up by calling or visiting the Social Security office nearest you. Go to the Social Security Administration Web site to find the Social Security office nearest you.

Medicare Plan Choices
You may have choices of how you get your health care with Medicare. Choices include the Original Medicare Plan, open to everyone who qualifies for Medicare. Or, you may choose a Medicare Advantage Plan. Medicare Advantage Plans are health plans offered by private insurance companies that provide you your Medicare benefits. You can also choose a Medicare Drug Plan to help reduce the costs of your prescription medications.

Medicare plans include 3 options:
1st The Original Medicare Plan, sometimes called the “traditional” plan
2nd Medicare Advantage Plans, such as:

Medicare Health Maintenance Organizations (HMOs)
Medicare Preferred Provider Organizations (PPOs)
Medicare Private-Fee-for-Service (PFFS) Plans

3rd Medicare Prescription Drug Plans

Remember:
You can always choose the Original Medicare Plan.
No matter which Medicare plan you choose, you will still be in the Medicare program.
All Medicare plans must provide at least the same benefits offered by the Original Medicare Plan.
If you are now in the Original Medicare Plan and you’re happy with what you have, you don’t need to make changes during annual enrollment periods.
You may want to consider a Supplemental Plan.

**The Original Medicare Plan**
The Original Medicare Plan is a fee-for-service health plan. This means that your doctor, hospital or other health care provider is paid for each service you receive. Under this plan, you can go to almost any doctor or hospital in the country that accepts Medicare.
In the Original Medicare Plan, Medicare pays its share of the doctor or hospital bill, (usually 80% of the approved amount), and you pay your share, (20% not covered by Medicare.) The Original Medicare Plan pays for many health care services and supplies, but it doesn’t pay all of your health care costs. For this reason, many people with Original Medicare also purchase a Medi-gap also referred as supplemental insurance to pay the 20% responsible by the beneficiary.

**Medicare Advantage Plans**
There are three main types of Medicare Advantage Plans: HMOs, PPOs, and PFFS. They are offered by private insurance companies. These plans provide all of the benefits of Original Medicare and generally provide additional benefits and lower copayments. However, there may be a limit on where you can get your care, which doctors you can see, and how often you can see them. The Open Enrollment period for these plans is: October 15-December 7, 2017.

**Medicare HMOs and PPOs**
These plans pay for the same health care as the Original Medicare Plan. Some plans also offer other benefits that the Original Medicare Plan doesn’t cover. These benefits can include prescription drug
coverage, check-ups, vision care, and hearing aids. However, be aware that these plans can change their benefits from year to year. In a Medicare HMO, you can only go to doctors, specialists, and hospitals in the plan’s network. You usually need to choose one doctor, such as a family doctor or internist, to be your main or primary care doctor. Your primary care doctor will coordinate all of your health care and send you to a specialist when you need one (such as a cardiologist for a heart problem). Your primary doctor can also admit you to the hospital.

A Medicare PPO also has a network of doctors, specialists and hospitals. However, in a PPO, you can go to doctors, specialists and hospitals outside the plan’s network, but you will pay more for your care. Since prescription drug coverage is usually included in HMOs and PPOs, you may not need to select a separate Medicare prescription drug plan.

**Medicare Private Fee-for-Service (PFFS) Plans**
You can choose any doctor or hospital that accepts the plan’s payment. The insurance company pays its share of your doctor and hospital bills, and you pay your share. However, the private insurance company, not Medicare, decides how much you pay for your care. This means you might pay more for your health care than if you were in the Original Medicare Plan. Under the PFFS Plan, you may get extra benefits. Some PFFS Plans include prescription drug coverage and some do not. Unless your prescription drugs are covered through the PFFS Plan or elsewhere, you may need to select a Medicare prescription drug plan.

**Medicare Prescription Drug Plans**
Everyone needs to make a decision about prescription drug coverage. If you have Original Medicare, you may need to select a Medicare prescription drug plan. You may not need to purchase a drug plan if you have a Medicare Advantage Plan. Drug coverage is generally included in Medicare HMO and PPO Plans.

Be aware that drug plans vary considerably in coverage and costs. Compare plans carefully to find the best plan for your individual health needs.

You may not need to purchase additional coverage if your prescription drug purchases are covered elsewhere (for example, Medicaid, employer, union) and that plan is as good as or better than what Medicare offers.

**Where Medicare Plans Are Available**
• **The Original Medicare Plan** is available everywhere in the country and to everyone who signs up for Medicare.

• **Medicare Advantage Plans** are available everywhere in the country. Some areas have more than one Medicare Advantage Plan; other areas don’t have any.

• **Medicare Prescription Drug Plans**: are available everywhere in the country; however, plans may vary by region.

**Signing Up for a Medicare Plan (See Below)**

**The Original Medicare Plan:**
If you are getting Social Security or Railroad Retirement benefits, you automatically get the Original Medicare Plan (Parts A) when you turn Medicare Eligible Age. You’ll receive a packet of information on Medicare, including your Medicare card. You will need to agree to Medicare Part B, and choose a part D.

**Medicare Advantage Plans:**
If you want to join a Medicare Advantage Plan (MAP) (HMO, PPO or PFFS), you must have Medicare Part A and live in the service area of the plan you want to join. People with End-Stage-Renal Disease are not eligible to enroll in a Medicare Advantage Plan. You may enroll in MAP during your initial enrollment period or during the annual enrollment period.

**Medicare Prescription Drug Plans:**
If you want to join a Medicare drug plan, you can contact the individual company directly and ask for an enrollment package. You can also call Medicare at 1 800 633-4227 or visit www.Medicare.gov to get information about signing up for a plan.

**Changing Your Prescription Drug Plan**
Generally, you can choose to switch your current prescription drug plan to a new plan during the open enrollment period of each year. Enrollment is generally for the calendar year. In certain cases, such as if you move or enter a nursing home, you can switch plans at other times.
If you decide to switch plans you can:

• Write or call your plan,
• Call Medicare at 1 800 633-4227, or
• Contact the Social Security Administration

After you request to switch, your plan will let you know, in writing, the date your coverage begins. If you don’t get a letter, call the plan and ask for the date.
Before Switching Plans
If you have other health care coverage, such as Medicaid or retiree health insurance from an employer or a union, find out how these plans work with each Medicare plan. You will also want to find out all the facts about your coverage before dropping your extra insurance or switching between the different types of Medicare plans. If you drop your additional insurance when you change plans, you may not be able to get the same Medi-gap policy or your retiree health insurance back if you later want to return to Original Medicare.

The three Primary Enrollment Periods are:
- Initial Enrollment Period
- Open Enrollment Period October 15-December 7 of each year
- January 1-February 14 Enrollment Period

Enrollment periods that Happen Every Year for Part C and Part D
Every year, you have a chance to make changes to your Medicare Advantage or Medicare prescription drug coverage for the following year. There are two separate enrollment periods each year. See the chart below for specific dates.

2019 Medicare Rates for 2019 are listed below:

Each year Medicare sets how much you pay for its premiums, deductibles, and copayments.

**Part A Monthly Premiums**
Most people don’t pay a Part A premium because they paid Medicare taxes while working. If you don’t get premium-free Part A, you pay up to $437 each month.

**Part A Deductible for a Hospital Stay**
- $1,364 deductible per benefit period
- $0 for the first 60 days of each benefit period
- $341 per day for days 61–90 of each benefit period
- $682 per “lifetime reserve day” after day 90 of each benefit period (up to a maximum of 60 days over your lifetime)

**Part A Deductible for a Skilled Nursing Facility Stay**
- $0 for the first 20 days of each benefit period
- $170.50 per day for days 21–100 of each benefit period
- All costs for each day after day 101 of the benefit period

**Part B Monthly Premiums**
The chart below shows the Part B monthly premium amounts based on income. These amounts may change each year. Also, there may be a late-enrollment penalty if beneficiary does not enroll during their initial enrollment period.

Medi-Cal

Low Income Assistance: Medi-Cal
Medi-Cal provides health coverage to people with low income and asset levels who meet certain eligibility requirements. (Medi-Cal is the California name for the Medicaid program.) While there are several ways to qualify for the Medi-Cal program, this summary focuses only on Medi-Cal beneficiaries who also qualify for Medicare—certain aged and disabled individuals. People who qualify for both Medicare and Medi-Cal are known as “dual eligible” or “Medi-Medi.” See the Health Consumer Alliance website (www.healthconsumer.org) for more info about the Medi-Cal program.

Benefits for People with Both Medicare and Medi-Cal
Medi-Cal can help pay for "medically necessary" health care, including physician visits, X-ray and laboratory tests, hospital and nursing home care, adult day health services, home health care, very few prescription drug categories not covered by Medicare, some prosthetic and orthopedic devices, eyeglasses, hearing aids, durable medical equipment, ambulance services. Medi-Cal also pays the Medicare deductibles, and monthly Part B premiums ($104.90 in 2016) for people qualifying and covered by both programs.

Make sure your doctor or hospital accepts Medi-Cal as well as Medicare. Once Medi-Cal eligibility is established, a person with Medi-Cal is issued a Benefits Identification Card (BIC). To obtain health care services, present both your Medicare card and your BIC to your doctors and other providers. The providers will bill Medicare and Medi-Cal directly and then Medicare and Medi-Cal will make payments directly to the providers. If you do not get confirmation that your doctor or hospital accepts both Medicare and Medi-Cal before using their services, you may have to pay for some of the services yourself.

Prescription Drugs
If you are receiving both Medicare and Medi-Cal benefits, the Medicare Part D drug benefit now provides your prescription drug. Medi-Cal, however, still pays for some categories of drugs not covered by Part D. With Medicare Part D drug coverage, you have co-payments between $1.00 and $6.30 for each prescription. A program called the Low-Income Subsidy (or “Extra Help”) will pay for part or all Medicare Part D drug benefit plan premiums, depending on the plan you qualify for. For more information on this Extra Help, see our Fact Sheet, “Low-Income Assistance: Assistance for People with Low-
Incomes." For information on the Medicare Part D drug benefit, contact your Social Security Office at 1 800 772-1213 or on the web at www.socialsecurity.gov, or contact Medicare at 1 800 Medicare or on the web at www.medicare.gov.

**How to Qualify** Everyone is entitled to Apply for Medi-Cal.
To see if you qualify for Medi-Cal, you must look at both your countable income and asset levels. You can have up to $2,000 in assets as an individual, or $3,000 in assets as a couple. Some of your personal assets are not considered when determining whether or not you qualify for Medi-Cal coverage. For example, assets that do not count when determining your eligibility are: your primary home, one vehicle, household goods and personal belongings, a life insurance policy with a face value of $1500 per person, a pre-paid burial plan (unlimited if irrevocable and up to $1500 if revocable) and a burial plot. If your assets are within the allowable range, but your income is higher, you may qualify for Medi-Cal with a Share of Cost.

**Income**
If you qualify for Supplemental Security Income (SSI), then you automatically qualify for full Medi-Cal coverage, whether or not you also have Medicare. To qualify for SSI, applicants must be 65-years-old or over, blind, or disabled. Your monthly countable income cannot exceed $889.40 for an individual or $1496.20 for a married couple (higher income levels apply for individuals who are blind). These income limits are generally adjusted each year. This amount may be adjusted by the state based on the federal poverty level.

**Medi-Cal with a Share of Cost (SOC)**
If your monthly income is higher than the income limits explained above but you still meet the resource test, you may still be eligible for Medi-Cal with a Share of Cost (SOC). The SOC functions like a deductible. Medi-Cal will pay the remaining amount of your medical bills for that month once you have met your Share of Cost.

**Note:** A SOC is paid only for the months you have incurred medical expenses; it is not a monthly premium. Your SOC is determined according to your monthly income and paid each month you received or use Medi-Cal benefits.

In order to accurately determine your Medi-Cal eligibility you must complete the Medi-Cal application process. Call 209 468-1000 then press Option 3 for Medi-Cal Assistance or visit the see for yourself website at www.c4yourself.com

**How to Apply**
When you apply for SSI (through your local Social Security Administration office) you are automatically enrolled in Medi-Cal and sent a Benefits Identification Card (BIC). If you do not qualify for SSI, you may still qualify for Medi-Cal with, or without, a SOC. To find out more information about your eligibility, contact your county Department of Social Services (DSS) office.

If you or your spouse anticipate placement in a nursing home, contact your local county Department of Public Social Services (DPSS) office to learn about the Medi-Cal rules for long term care. These rules are very different from the Medi-Cal rules that apply if you are not in a nursing home. If you are hospitalized and think you might have to go to a nursing home, ask to speak with the hospital’s Medi-Cal specialist for assistance. Note: For more information about qualifying for Medi-Cal long term care coverage, see California Advocates for Nursing Home Reform’s (CANHR) website at www.canhr.org.

Apply for Medi-Cal as soon as you know you can’t afford your medical expenses or nursing home placement because it will take time for Medi-Cal to verify your income and personal assets to determine your eligibility before any Medi-Cal coverage can be approved. You can request that Medi-Cal pay retroactively for the three months prior to the month in which you applied.

This health insurance program pays for a broad range of medical services for individuals with low income and resources. Basic services include physician, inpatient and outpatient hospital services, laboratory tests, x-rays, and medical transportation.

People who have Medicare can also receive Medi-Cal if they meet the eligibility criteria. Medi-Cal may cover some services not covered by Medicare such as nursing facilities, in home care, or Medicare co-payments and deductibles.

For further information about Medi-Cal, call 1 800 952-5253, or call the San Joaquin County Human Services Agency at 209 468-1000, select Option 3, for Medi-Cal.
Home Health and Home Care Defined

Often we become caregivers very suddenly, without warning—a spouse is diagnosed with cancer, a child becomes injured or ill, a parent has a stroke. At other times, caregiving creeps up on us—we know mom is forgetting things and we slowly start taking on some administrative tasks and calling more often, until one day we realize she no longer has the capacity to live safely on her own.

The following are definitions of care options:

What is Home Health Care?

Home Health Care, also referred to as Skilled Nursing or Paraprofessional Care, covers a broad range of services including: Nursing Care, Physical Therapy, Occupational Therapy, Speech Therapy, Medical Social Work, and Respiratory Therapy.

Skilled Nursing care is provided by a registered nurse (RN), nurse practitioner (NP), or a licensed practical nurse (LPN).

Paraprofessional care is provided by home health aides, personal care assistants, physical therapy assistants, or certified occupational therapy assistants (COTA). In order to be covered by health insurance, services must be authorized by your physician and must be medically necessary to maintain or improve your health condition. Home Health Care services are usually provided on a visit basis rather than an hourly basis.

Generally, home health services are initiated upon discharge from a hospital and there is a need to have help in the home adjusting or ongoing Rehabilitation Services. Often a physician, nurse, hospital discharge planner or case manager suggests obtaining professional help at home to assist with your health care needs or recent changes to their health.

What is Home Care?

Home Care, includes only care to assist with the activities of daily living such as bathing, dressing, and walking.

Also referred to as Custodial Care, services include: Housekeeping, Assistance with bathing and dressing, Preparation of nutritious meals,
Help with walking and getting in / out of bed, Medication reminders, Conversation and companionship, and Transportation to name a few. Home care services are generally not covered by insurances such as Medicare or HMO’s, however there are some private and long term care insurance policies that may cover services.

Most agencies accept private payments from patients and families. Care services are generally provided by individuals who are screened, bonded, and trained to meet your non-medical needs.

**Finding a Physician**

In order to find a physician, you must 1st think about your medical coverage. If you are in a Medicare Advantage Plan, you may be supplied with a list of Approved Doctors to see. Contact the office and ask if they are accepting new patients with your insurance.

If you are traditional Medicare, you may see a doctor that accepts Medicare. You will want to ask if the doctor accepts “assignment”. This is when the doctor accepts the assigned amount from Medicare. If the doctor does not, it may cost you more.

About IHSS - In-Home Supportive Services

The In-Home Supportive Services (IHSS) program is a federal, state, and locally funded program designed to provide assistance to those eligible aged, blind, and disabled individuals who, without this care, would be unable to remain safely in their own homes. IHSS provides services according to the client’s ability to perform daily activities, and can include feeding, bathing, dressing, housekeeping, laundry, shopping, meal preparation and clean up, respiration, bowel & bladder care, moving in and out of bed, rubbing the skin (to prevent skin breakdown), accompaniment to medical appointments, paramedical services, and protective supervision.

IHSS clients are responsible for locating their own chore providers, for hiring and supervising their providers, and for firing the provider if the services are not performed according to the client’s specifications. The San Joaquin County Public Authority for IHSS maintains a Registry of individuals available to work as chore providers.

Who qualifies for IHSS?

To be eligible for IHSS, you must be on Medi-Cal, be blind, disabled, or 65 years of age or older, AND be unable to live at home safely without help.

If you are not on Medi-Cal, but think you might be eligible for IHSS, you can still apply. An Eligibility Worker will be assigned to your case and will let you know what documentation is needed so that a Medi-Cal determination can be made. If the determination finds that you are eligible for Medi-Cal, the next step in the application process is a home visit from an IHSS Social Worker.

IHSS Social Workers determine if you qualify for IHSS by assessing your functional need for specific services, and by identifying the amount of time to be allotted for the performance of services. Depending on the amount of your monthly income, you may be required to pay a share of cost for these services.

How to apply for IHSS

There are several ways to apply for IHSS. You can call San Joaquin County Aging and Community Services at: 1 800 510-2020 or 209 468-1104 or visit the website at http://www.sjchsa.org/

Protecting Elderly and Dependent Adults

Protecting elderly, and dependent adults is increasingly challenging as our elderly population grows rapidly and many are being cared for in their own homes. Substantial numbers of elderly and disabled adults are being cared for by their adult children and spouses, which at times creates challenges for all family members.

Elder abuse is not a new problem. However, conditions in our society now encourage a closer examination of this problem. Adult Protective Services (APS) program is the first defense to protecting our Elderly and Dependent Adults.

DEFINITIONS: (As Defined by Adult Protective Services) (APS)

Elderly: Persons 65 years of age or older.

Dependent Adults: Persons 18-64 who have physical or mental limitations which restrict their ability to carry out normal activities or to protect their rights. *For individuals under 18 years of age, Child Protective Services is the agency to contact.

Abuse: Physical abuse, neglect, self-neglect, financial abuse, abandonment, isolation, abduction, or other treatment resulting in physical harm, mental suffering, or deprivation by a care custodian or other person of influence.
TYPES OF ABUSE:

**Abandonment:** Desertion or willful forsaking of an elder or dependent adult by anyone having care or custody, under circumstances in which a reasonable person would continue to provide care and custody.

**Active Neglect:** Intentional failure to fulfill care giving obligations; infliction of physical or emotional stress or injury; abandonment; denial of food, medication, personal hygiene, etc.

**Material/Financial Abuse:** Illegally or unethically exploiting by using funds, property, or other assets of an older person for personal gain, etc.

**Passive Neglect:** Unintentional failure to fulfill a care taking obligation; infliction of distress without conscious or willful intent, etc.

**Physical Abuse:** Infliction of physical pain or injury; continual deprivation of food or water; sexual assault / battery, or rape; confinement; the use of physical or chemical restraint (over or under medicating).

**Psychological Abuse:** Infliction of mental anguish by demanding, name-calling, insulting, ignoring, humiliating, frightening, threatening, isolating, etc.

**Self-neglect:** Not providing one’s self with adequate food, clothing, shelter, medication or medical care, and/or not allowing others to assist with the provision of such necessities.

For further information and referrals of abuse contact:

San Joaquin County Adult Protective Services at 209 468-3780 or 1 888 800-4800.
Reporting Abuse and Neglect in Nursing Facilities

The San Joaquin County Ombudsman investigates reports of abuse and neglect in skilled nursing and residential care facilities.

Protecting Your Wishes and Resources

For most of us, there comes a time in our lives that we must rely on someone else to carry out our wishes regarding our health and/or property. The most important thing to ensuring that your wishes are carried out is to have them in writing and designate who you want to be your representative.

It is also important to have your wishes stated in an acceptable format prior to any concern or evidence of incompetence. If there is evidence that the statements were made at a time of questionable competency, then the wishes can be subjected to questioning and validity. If there is any evidence that the document or will was written under undue influence, a judge could also override the wishes stated. There are different avenues to express your wishes regarding your health or property.

Wills: A will is simply a document which specifies how you wish to have your assets distributed after you die; and designates who will carry out your wishes. Options to preparing a will:

Printed Will: A formal will prepared by an attorney. The advantage to this type of will is having a legal authority review it and ensure it is inclusive and follows the recommended legal format.

California Statutory Will: is a guide created by The California State Bar Association, available in most stationary stores, that allows you to express your wishes without the help of an attorney.

Handwritten or Holographic Will: This is a completely handwritten will that is properly dated and signed. It does not require a lawyer or witnesses; however, a witness is advisable if there is a question of competency. The handwritten will supersedes any printed will as long as it has been executed correctly.

HEALTH CARE: The State of California Attorney General’s Office keeps an Advance Health Care Directive Registry that stores AHCDs, which allow a person to indicate to their loved ones and medical providers their medical treatment preferences if they cannot speak or make decisions for themselves. The AHCD may also designate someone else to make decisions regarding medical treatment. AHCDs and related information can be provided upon request to the registrant's health care provider, public guardian or legal representative. The Attorney General’s Office does charge a fee for storing the AHCD.
The form has 4 parts:

**Power of Attorney for Health Care:** This lets you name another individual as an agent to make health care decisions for you if you become incapable of making your own decisions or if you want someone else to make those decisions for you now even though you are still capable.

**Instructions for Health Care:** This part lets you give specific instructions about any aspect of your health care, whether or not you appoint an agent.

**Donation of Organ at Death:** This part lets you express an intention to donate your bodily organs and tissues following your death.

**Primary Physician:** This part lets you designate a physician to have primary responsibility for your health care.

After completing the form, sign and date the form. The form must be signed by two qualified witnesses or acknowledged before a notary public. A signed copy should be given to your physician and any other health care providers you may have, to any health care institution at which you are receiving care, and to any health care agents you have named. You should talk to the person you have named as agent to make sure that he or she understands your wishes and is willing to take the responsibility. You have the right to revoke a directive at any time.

*If you are a patient in a skilled nursing facility, the patient advocate or Ombudsman must sign the CAHCD as a witness required by Section 4675 of the Probate Code.

**ADDITIONAL INFORMATION REGARDING OTHERS LEGALLY REPRESENTING YOU:**
It is always best to ensure that when you sign any form giving a person the right to act on your behalf, you clearly understand what right that gives them, and it is someone you trust to act in your best interest.

**Living Will:** also known as an Advanced Health Care Directive (SEE ABOVE) is a document that allows a person to explain in writing which medical treatment he or she does or does not want during a terminal illness.
**Power of Attorney (POA):** is a document signed and dated by you, which gives someone the legal right to act on your behalf. Generally, these are used when a person needs assistance to manage their financial transactions.

There are generally two types:

**Health Care:** SEE ABOVE.

**Financial:** Allows an assigned individual to act on your behalf for all financial matters.

**Guardianship:** is also referred to as conservatorship. SEE BELOW.

**Conservatorship:** This is court authorization of a representative to have the control to make decisions on behalf of the individual conserved. There are two types:

**Laterman-Petris-Short Act (LPS) Conservatorship:** provides a legal framework for the delivery of services to an individual’s psychiatric treatment but are unwilling or unable to accept it. A representative is appointed, either a person known to the individual or a public conservator. The conservatorship may be granted over the person, or person and estate, and must be reviewed every year.

**Probate Conservatorship:** This is designed to help those who are unable to provide for their own basic needs (food, clothing and shelter) but who do not require a locked facility. This allows an appointed representative to conduct business on behalf of the person to ensure their basic needs are met so they can maintain living in the community.

The Lodi Salvation Army Shelter (Lodi Hope Harbor Family Services) provides emergency lodging, hot meals, and clothing. The shelter is for homeless men, women and children. The shelter is divided in half with women and children on one side, and men on the other. Clients attend four sessions of Overcoming Roadblocks, a class in which applicants learn to overcome some of the things which hinder them from becoming self-reliant and self-sufficient. All clients who stay in the shelter are required to attend meetings every day. The limit is 56 nights per year.
A new addition to the Shelter has been added for Family services. There are three rooms available solely for single parent dwelling serving the Lodi, Lockeford, Jackson, and Galt areas. In addition, 2 classrooms have been added, 1 for culinary arts and 1 for parenting classes (which additionally offers computer classes). There is also a food nutritionist offering training at the shelter, once per month.

Family Caregiver Support Program and Grandparent Support Services

Today more and more people are facing the responsibility of caring for aging parents, adult relatives, or close friends and grandchildren. It is a common misconception that most of the elderly who need care are in nursing homes. More than 7 million spouses, adult children, other relatives, and friends are currently providing unpaid help to older adults.

If you’re one of them, you know that care for an older loved one can be very rewarding. It can also be very stressful; sometimes resulting in emotional burn out, physical exhaustion and financial burden.

The Family Caregiver Support program can assist eligible caregiver in the following ways:

- Case Management Services
- Caregiver Training
- Respite Care
- Information on and Access to Resources
- Minor Home Repair
- Legal Services
- Heavy Cleaning
- Other Supportive Services

If you meet one or more of the following criteria, you may benefit from these services:

- You are an adult Caregiver (18 and older), providing informal care to an older individual. This includes family or friends.
- If the individual to whom you are providing care is over the age of 60 and frail.

Grandparent Support Services

If you meet one or more of the following criteria, you may benefit from these services:

- If you are a Grandparent or step-grandparent (55 and older) who is providing care to a minor who is not more than 18 years of age. Who
  1. Lives with the Child;
  2. Is the primary caregiver of the Child;
  3. Has a legal relationship to the child, such as legal custody or guardianship, or is raising the child informally;
  4. The state shall give priority to grandparents of children with severe disabilities.

**Weatherization Program**

**WHAT TYPES OF ASSISTANCE ARE AVAILABLE?**

**Bill Payment Assistance:** HEAP (Home Energy Assistance Program) may pay a portion of your energy bill in the form of a dual or single party warrant or a direct payment to a utility company. The amount of assistance is based on household income and size, energy cost, and funding availability.

**Energy Crisis Assistance:** ECIP (Energy Crisis Intervention Program) is available to low-income households that are in an energy related crisis; such as receiving a 24 or 48 hour disconnect notice, or service termination by a utility company.

**Weatherization Assistance:** The Weatherization Program provides services designed to reduce heating and cooling costs and improve the energy efficiency of a home, while safeguarding the health and safety of the household. These services are provided FREE to qualifying households.

The following are definitions of care options:

**What is Home Health Care?**

Home Health Care, also referred to as Skilled Nursing or Paraprofessional Care, cover a broad range of services including: Physical Therapy, Occupational Therapy, Speech Therapy, Medical Social Work, and Respiratory Therapy. Skilled nursing care is provided by a registered nurse (RN), nurse practitioner (NP), or a licensed practical nurse (LPN). Paraprofessional care is provided by home health aides, personal care assistants, physical therapy assistants, or certified occupational therapy assistants (COTA). In order to be covered by health insurance, most services must be ordered by your physician and must be medically necessary to maintain or improve your health condition. Home Health care services are usually provided on a visit basis rather than an hourly basis and for individuals who are homebound or have difficulty leaving their home to access services.

**What is Home Care?**

Home Care can include the following services: Housekeeping, Assistance with bathing and dressing, Preparation of nutritious meals, help with walking and getting in / out of bed, Medication reminders, Conversation and companionship, and Transportation to name a few. Home Care services are generally not covered by insurances such as Medicare or HMO’s, however there are some private and long term care insurance policies that may cover services. Most agencies accept private payments from patients and families. Usually the agency bills the patient on a monthly basis.

The following is a list of public and private agencies and companies that provide Home Health and Home Health Care.

**Inclusion of an agency does not imply endorsement of its services, nor does exclusion reflect an agency’s quality of service. You are encouraged to investigate for yourself.**

San Joaquin County – Long-Term Care Ombudsman Program

A Long-Term Care Ombudsman is an advocate for residents living in nursing homes and / or residential care facilities for the elderly.

Ombudsman representatives are trained to:

- Receive & investigate complaints on behalf of residents including allegations of abuse or neglect.
- Visit facilities regularly to resolve complaints / concerns.
- Witness Advanced Health Care Directives & Property Transfers for residents in nursing homes.
- Work with licensing agencies and community partners to resolve problems.
- Provide information to residents, families and facility staff.
- Provide education to community groups.
- Offer in-service training to facility staff.
- Work with resident and family councils.

If you have a complaint or concern regarding a Long-Term Care Facility, an Ombudsman representative is available to help.

2-1-1 San Joaquin

211 San Joaquin (211SJ) is a collaborative effort of health and human service providers, state legislators, local government representatives and county residents.

Its purpose is to make it easy for people to find the help they need, when they need it.

For the individual/families - 211SJ provides a much easier way to find information regarding available services, using an online database or by calling 2-1-1 and speaking with a trained Resource and Referral Specialist. It connects people to services 24 hours a day/7 days a week. Language barriers are overcome by the use of Language Line for translation services in over 200 languages.
